

### Background and Introduction:

- Can you tell me a bit about yourself, your education, and your work?
- How would you describe your upbringing in Rajkot, and how has it influenced who you are today?
- How would you describe your relationship with your parents and family?
- In what ways has your family's beliefs and values shaped your views on marriage?

### Familial Relationships

- Can you share your family's perspective and experiences with arranged marriage?
- How has the concept of arranged marriage evolved or remained the same in your family over generations?
- Can you describe a typical day in your household? In what ways do you contribute to the daily running of the household and the family business?
- How do the elders in your family contribute to decision-making, particularly in matters of marriage?

### Decision to Marry:

- Can you take me through the process of how your arranged marriage was decided upon?
- What were your initial thoughts and feelings when the idea of an arranged marriage with Princy was presented to you?
- Were there moments where you felt you had a choice or agency in this decision?

### Perception of Marriage

- How do you perceive love and companionship in the context of an arranged marriage?
- Were there ever moments during your education or work where you had a different view of marriage?
- As the wedding approaches in November, what are your thoughts and feelings?
- What expectations do you have for your married life with Princy?

### Aspirations for the Future:

- Where do you see yourself and Princy in the next five to ten years?
- How do you think marriage will change your life and your perspectives?
- How do you think this upcoming marriage reflects on you as a person?
- Are there aspects of your identity or beliefs that you feel are being challenged or affirmed through this process?

### Hindsight:

- Looking back, are there things you wish you had done differently?
- What advice would you give to others who are about to enter an arranged marriage?
